Re: Carol Dobson v. Eltman, Eltman, & Cooper, PC

Case No. 09-CV-5588 (RMB)

Honorable Judge Berman:

Pursuant to a discussion with your law clerk, please accept this letter as a request for adjournment of the initial pre-trial conference set for July 28, 2009 at 9:00 am in the above referenced matter. Plaintiff has not yet been able to perfect service on the Defendant, and, as such, there is no opposing counsel of record and, thus, no way for the parties to jointly develop a case management plan or begin discussion regarding possible settlement of the issues in this case.

If his Honor would entertain rescheduling the conference for sixty (60) days from the original date of the conference, I feel confident that service will be perfected and the parties will be able to meet on the above referenced items and be prepared to attend said conference.

I thank this Honorable Court for the time and consideration of this matter and look forward to receipt of your decision.

Application respectfully denied
